SOMA-Q

You do hard things.

To get more done,
learn to slow down.

Who is running the show?

You already do the right things: the workouts, the meditation, and the time off. Still, burnout can keep coming back.

Leadership does not happen from the neck up.

Notice the signal. Locate what is happening. Choose your next response.

Lead from energy, clarity, and joy, so you can keep doing hard things.

Take the free Burnout Signal Check.
