SOMA-Q

WHEN PRESSURE HITS

Pressure happens. What do you do next?

Notice the signal. Locate it. Choose your next response.

Pressure happens

INTERRUPT HERE

Notice the signal. Locate it in your body.

Do you catch it?

NO

REACTION

The loop runs again.

- Body tightens, mind races.
- Short with your people.
- Choices made from pressure.
- Running on empty.

YES

RESPONSE

You choose what happens next.

- Body settles, mind clears.
- Present with your people.
- Choices made from clarity.
- Energy left at day's end.

Regulation is a skill. Recovery is a skill. Choice under pressure is a skill.
